

Case Study – *This event will assess candidates on their Quantitative Ability, Verbal Ability, Data Interpretation, Logical Reasoning and Critical Thinking. Candidates will be provided with a case study for a limited period of time. During this period, the teams must identify the most prominent issues and come up with innovative, yet actionable solutions.*

Event Format

“Case Study event” consists of 3 rounds:

Round 1 – This will be an online screening round. There will be 2 phases of this round :-

(i) Online Quiz “Dare2Compete” - this will be floated on 15th December 2019.

(ii) Problem Statement will be floated in January 2020.

Candidates clearing Round 1 will be notified via email, around 1st or 2nd February 2020.

Round 2 – Group discussion round. The problem statement will be floated for GD to the selected candidates via email. This will take place in the campus (On Day-1 of Technex).

Round 3 - Presentation round. Candidates selected from round 2 will be eligible for this round. Candidates are required to assess the PS and prepare the presentation in the given time slot.
