

AstroQuiz

Introduction

The AstroQuiz is an interactive live event of questions and answers aimed at challenging the depths of knowledge of the participants. To test their understanding and know-how in Astronomy, contestants are expected to compete over 3 different rounds. The online qualifier round will shortlist participants to enter the offline rounds held in Technex'20 at IIT(BHU).

Event Structure

Round 1 - This round will be an online event consisting of MCQ based questions aimed at testing the basic astronomy and astrophysics knowledge of a team. The shortlisted teams will participate in the AstroQuiz on campus event during Technex'20.

Round 2 - The second round will be further divided into 2 rounds which will be held at the IIT (BHU). Among the 2 sub-rounds one of them will be a Pen-paper based test and other being a surprise round. Only eight teams will be shortlisted for the final round.

Round 3 - This round will be conducted by Quiz Master of Astronomy Club IIT (BHU), and the details will be introduced by them at the time of the event.

Rules

1. A maximum of 2 members are allowed to register as a team. However, they need not belong to the same college/university.
2. No changes in the team structure would be allowed after registration.
3. Use of any electronic gadget is strictly prohibited.
4. The decision taken by the judges will be ultimate and will be abiding by all participants.
5. Participation/Appreciation certificates will be awarded only to those who qualify for the second round of the quiz.
6. Use of unfair means like the Internet, any electronic equipment, or interaction with other team members during the Quiz will lead to immediate disqualification from the event.
