

Paper Presentation

Description:

A unique event requiring knowledge, research and laudable presentation skills. The participants will be tested on their insight towards the topics of their own choosing and stage their findings and research work in front of a jury. They shall be required to speak on their presentation and answer any questions posed by the judges or the audience. The event shall comprise of two rounds, an online round and an on-campus round.

Event Structure:

The Event consists of two rounds:

The first round shall be an online round and shall be conducted in the following fashion:

1. The participating teams must choose a topic of their liking from the topics provided in the attached Google form.
2. The teams will have to submit an abstract on the chosen topic via email to info.astronomyclub@gmail.com with subject as "<Team ID> Paper Presentation 2020".
3. A total of 8 teams will be shortlisted and will be invited for the on-campus round to be held at IIT (BHU), Varanasi.

The shortlisted teams will be provided with research papers of their chosen topic. They will have to present the research paper in form of a PowerPoint presentation in front of the jury. The presentation must contain all the major points and the essence of the research paper provided to them. The presentation may also contain any more relevant points which shall fetch bonus points.

It shall be conducted in the following fashion:

1. The shortlisted teams will have to submit their completed PPTs beforehand by 13th February 2020 via email to info.astronomyclub@gmail.com
2. The teams will then have to present their work in front of a jury and fellow teams and answer any questions posed to them.
3. The team with the best scores shall be proclaimed the winner.

Note:

The participants are advised to have peripheral knowledge about the topic as well.
