Krackat - *This is a mock CAT based examination that will test your Quantitative Ability (QA), Verbal Ability (VA), Reading Comprehension (RC), Data Interpretation (DI) and Logical Reasoning (LR).*

Event Format

Krackat consist of 4 rounds:

Round 1 – General aptitude test. This would be an online test.

Round 2 – On-campus written test. Selected individuals from round 1 would appear for a written test held at the IIT BHU campus.

Round 3- Group discussion round. Selected candidates from round 2 would be eligible to participate in it.

Round 4- Personal Interview. After clearing all the 3 rounds candidates would appear for a personal interview which would be judged by renowned professionals.

Dates for each round would be announced soon.
